Dear Tom,

Thanks for calling the other day. I was amazed to hear that you went on a Mediterranean cruise this summer. I didn't even know that you had been on holiday!

Hope to hear from you soon.

Best wishes

Hi Helen,

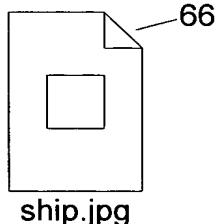

Good to hear from you again. Sorry I didn't let you know that I was going away!

I had a wonderful time on board the cruise ship. Here's a picture of it arriving at Southampton.

65

Bye for now,

Tom

Thanks for the picture. It looks great! Did you know that I went on a cruise a few years ago, around the Greek Islands? I remember the food was excellent!

Tom's been on a cruise?! That's the first I've heard of it! He always used to suffer from terrible seasickness!

Jane and I went to Normandy this year. I can really recommend it. You might like to take a look at this website:

Also, here is an MPEG of my family at Bagnoles-de-l'Orne, taken with my new digital video camera.
